CAPTAIN

CAPTAIN Electricals are the manufacturers and exporters of premium quality of wide range of electrical products and since last **33 Years** from the perspective of expansion we have developed our manufacturing units in Mumbai (INDIA)

Main objective:

To move forward with cooperation and coordination at national and international level and facilitate development of skilled manpower along with the technology for the Industry

Vision:

To be global player providing world class products at competitive prices, contributing to the success of the Electrical Industry & be their preferred supplier of wide range of switches.

Mission:

We shall work continuously for Indian electrical switches to be world class in terms of quality, Technology, cost effectiveness and process standards through an inclusive and cooperative approach to create value to our products
