GENERATION

a **Class** Creation

CAPTAIN Electricals are the manufacturers and exporters of premium quality of wide range of electrical products & since last 3 decades from the perspective of expansion we have developed our manufacturing units in Mumbai (INDIA)

Main objective:

To move forward with cooperation & coordination at national & international level and facilitate development of skilled manpower along with the technology for the Industry

Vision

To be global player providing world class products at competitive prices, contributing to the success of the Electrical Industry & be their preferred supplier of wide range of switches.

Mission

We shall work continuously for Indian electrical switches to be world class in terms of quality, Technology, cost effectiveness and process standards through an inclusive and cooperative approach to create value to our products
