SWITCHES & ACCESSORIES SINCE 1991

a **Class** Creation

AVE
Premium Series

PRICE LIST
AUG. 2023

Main objective:

To move forward with cooperation & coordination at national & international level and facilitate development of skilled manpower along with the technology for the Industry

Vision

To be global player providing world class products at competitive prices, contributing to the success of the Electrical Industry & be their preferred supplier of wide range of switches.

Mission

We shall work continuously for Indian electrical switches to be world class in terms of quality, Technology, cost effectiveness and process standards through an inclusive and cooperative approach to create value to our products

CAPTAIN Electricals are the manufacturers and exporters of premium quality of wide range of electrical products & since last 3 decades from the perspective of expansion we have developed our manufacturing units in Mumbai (INDIA)

CAPTAIN[®]

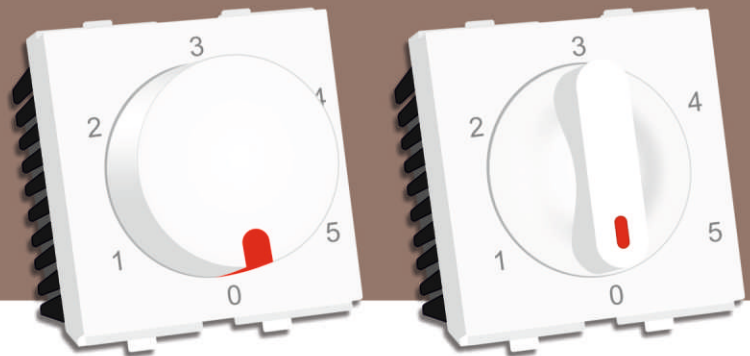

SWITCHES & ACCESSORIES SINCE 1991

a **Class** Creation

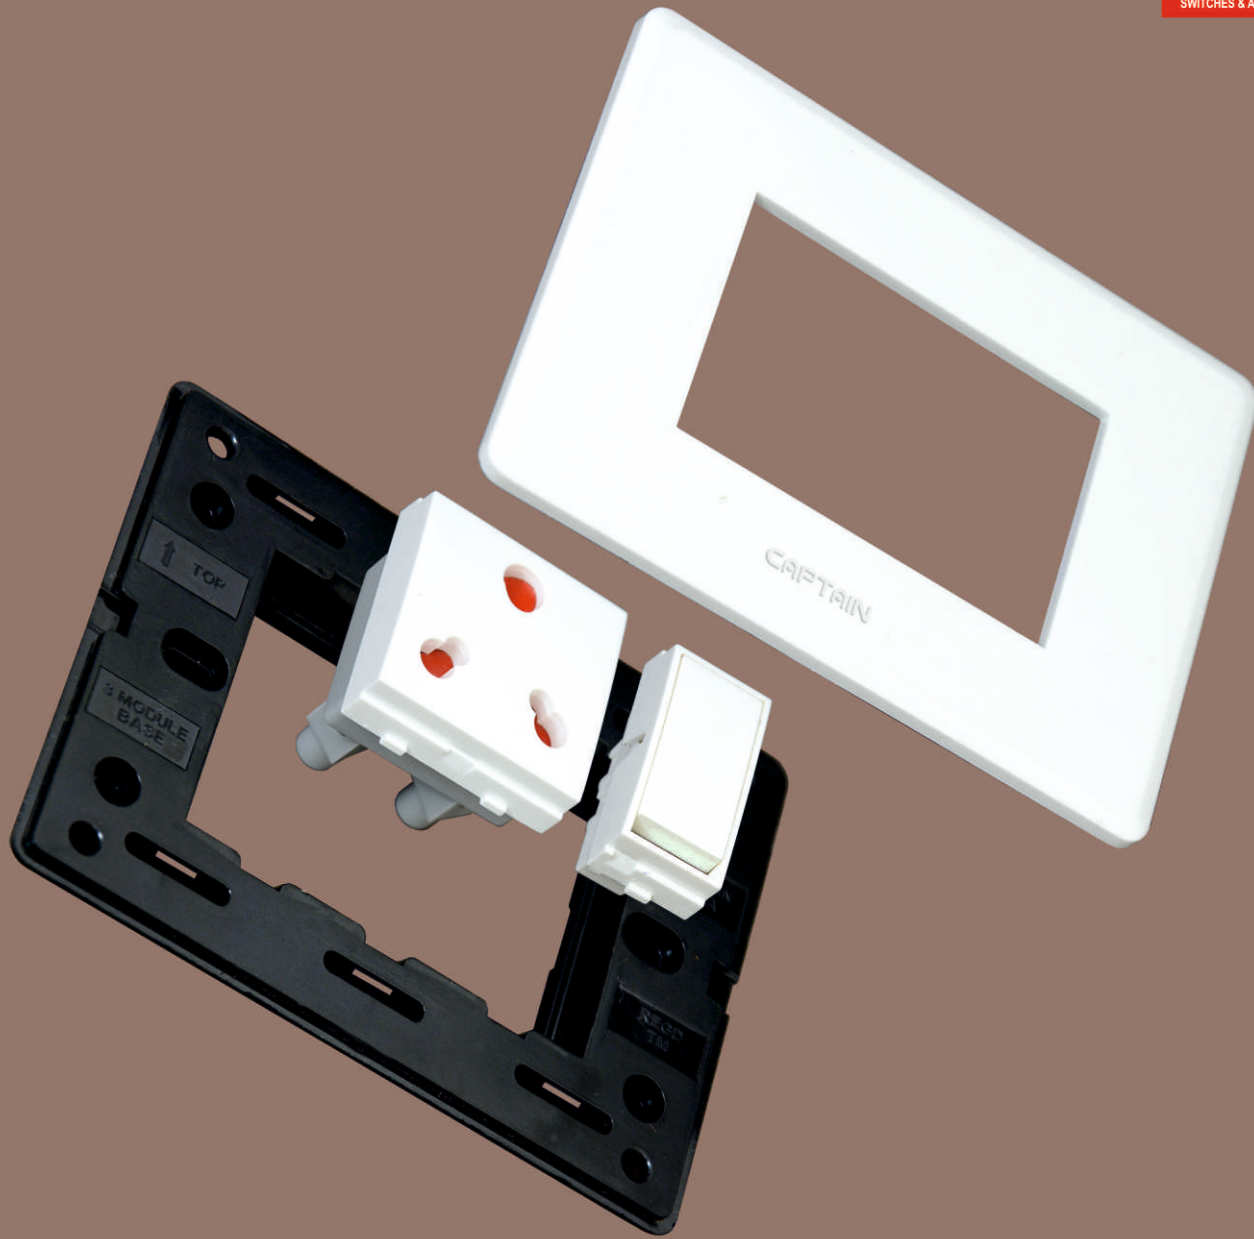

We bring to you the classic & luxury range of switches that adds a class to your dream home. Different choice & range gives individual a new way to enhance the beauty of their home. we care for safety of our customers. The Range allows you to feel & cherish life to its fullest through a great design in...

AVE

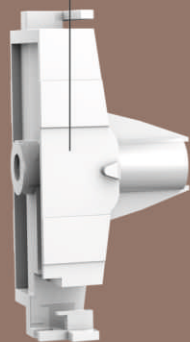

The **AVE** Premium Series' switches have been fashioned with state-of-the-art design and robust technology to add grandeur to your homes. The flat knob and curvy plates blend well with your walls to enhance their looks. Polycarbonate material and heavy brass parts bolster long-lasting safety. Create accent walls with impressive color options like teakwood, black oak, Arctic blue, Italian marble, metallic bronze, and dark olive.

Polycarbonate knob
(Aesthetic & Glossy finish)

Spark Shield to transcend
the spark inside the piece

Bi-Metal Rivet
(Silver Metal for
Best Conductivity)

Brass rocker ball with spring
(for long life operations)

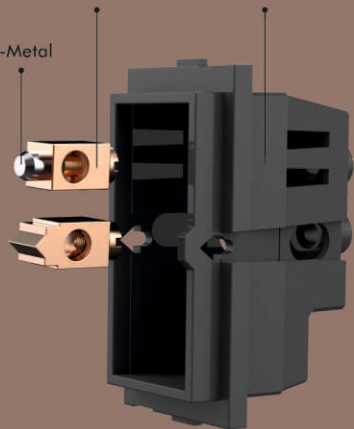

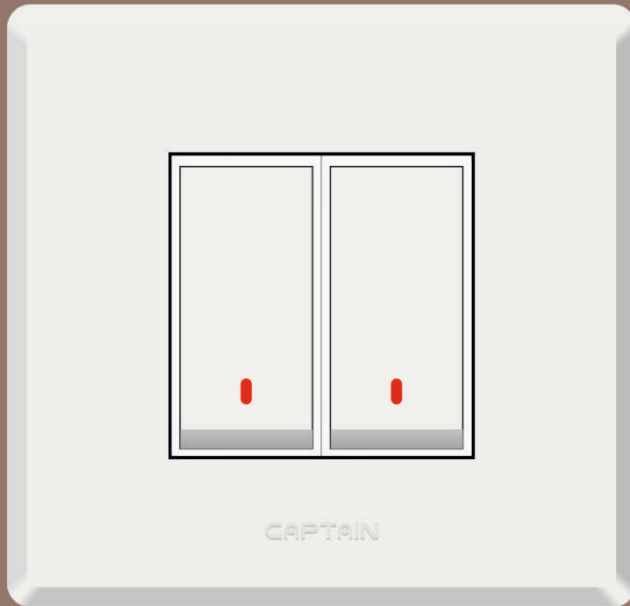

Thermoset Material
(Extremely High Resistant &
does not melt on heating)

Bi-Metal

Brass terminal
Contact
(Best Conductivity)

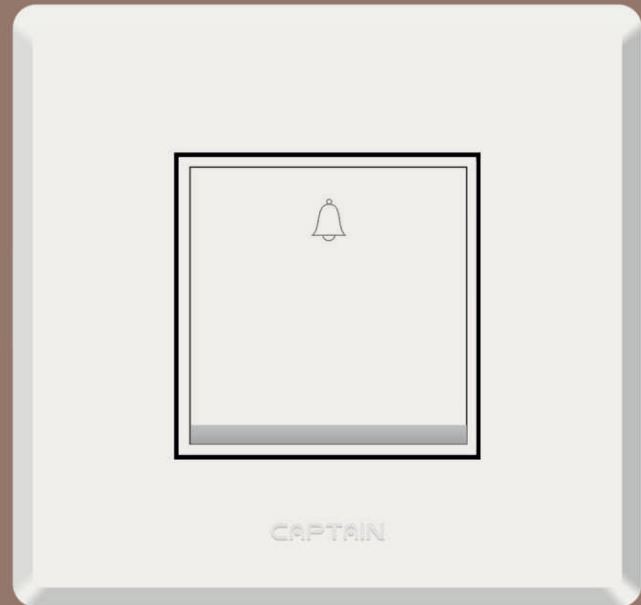

Back Piece
(FR Grade
Polycarbonate)

Switches

AVE 2M. Teak wood plate with 32A. D.P. Switch

AVE 2M. Teak wood plate with 25A. Socket

Nature-inspired, amazingly sleek switches display elegance with their teakwood and black oak plates. The classic wooden plates offer a panorama of textures and tones. These premium switches blend with every wall of your home only to enhance the decor. Wood gives these unparalleled switches a timeless appeal. Switches are available as white for teakwood plates and black for black oak plates.

AVE 2M. Teak wood plate with Led night lamp

AVE 2M. Black Oak plate with 20A. D.P. MCB

AVE 2M. Black Oak plate with Motor Starter with Ind.

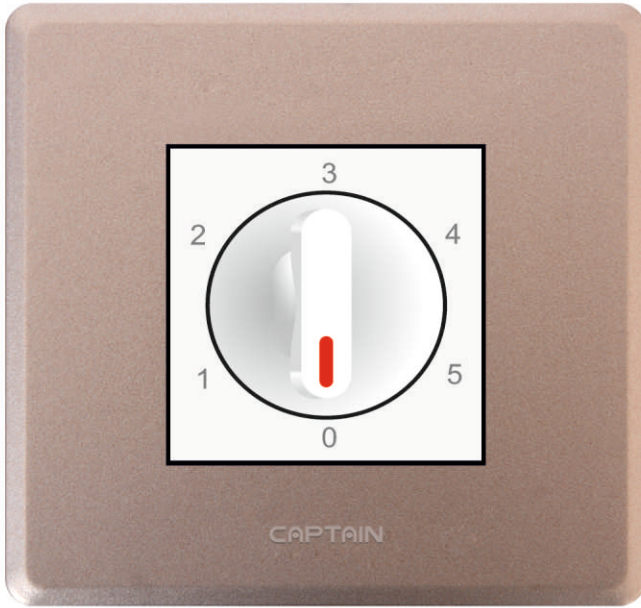

AVE 2M. Italian Marble plate with Slider 5 step regulator

AVE 2M. plate with AVE Led foot light

MARBLE

The Ave Premium Range plates now come with Marble finish designs for spaces that define luxury which highlights your interior's style quotient.

AVE 2M. Metallic Bronze plate with I-MAC Fan Regulator

METALLIC

AVE 2M. Dark Olive plate with I-LITE Fan Regulator

Become spellbound by the gorgeous shine of the metallic plates of the AVE Premium Series switches. These metallic finish plates are available in two variants: Metallic bronze and dark olive. Dark olive exudes sophistication, and metallic bronze radiates earthiness. Spruce up your interiors with these superlative metal plates.

Home **Automation** SWITCHES

AVE Premium Touch-series switches are incredibly smart and add brilliant grace to your walls. The feather-touch sensors exemplify seamless comfort. These switches are retrofit and do not need any rework on your walls. They fit into regular concealed boxes effortlessly. The touch-series switches add aesthetic charm to your spaces with their scratch-proof, toughened glass plates.
